It is at the right time, maybe trying a different day if the establishments allow.

I see no need for improvement

More participation from the chapter

More Soror participation

This event was enriching for the participants.

How can we get better participation?

6 responses

Maybe ask each committee member to call 3-4 Sorors from a roster and personally invite them to come out.

Not sure how much participation we had because it spread out over 3 hours.

Get the word out early

Everyone attend and more advertising

Remind Sorors that these are family friendly activities that don't require them to be away from their families.

Now that's a serious question we need to find an answer to.
